Elementary Events

SKATING- On February 4, 19, 26 and March 5, the elementary students had skating. They went skating 4 different times for an hour. They went to Twin Rinks, which is in Langley. Some of them just skated and some of them played hockey.

Chaplain's Corner

"There is neither Jew nor Greek, there is neither slave nor free person, there is not male and female; for you are all one in Christ Jesus." Galatians 3:28

"For just as we have many members in one body and all the members do not have the same function, so we, who are

many, are one body in Christ, and individually members one of another."

Romans 12:4

"We are one in Christ and we all have to know that. We are always related to one another because of Him. But yes, we are all different. I want to say that because, in February, it was black history month and in our differences, it is not supposed to cause separation, but also things for us to celebrate for one another. I hope Fraser Valley, during the month of February and also the upcoming months, can recognize not only black history month but the history of other cultures so we can celebrate what makes us different while remembering that we are one."

Spoken By: Pastor Ben

Chapels

These past months we have had 3 chapels. The first chapel was on the 21st of February. The SA took charge and they spoke about discrimination, race, and issues we have among our peers. The next chapel was on February 28th, and since it was anti-bullying week, Pastor Ben thought it would be a good idea to do an activity he learned from a show on MTV called "Cross the Line" where students cross the line if they've ever experienced the questions Pastor Ben was reading. The questions got deeper every time. Some of his questions were "Do you have a facebook account?" and "Have you ever felt left out?" and then "Have you ever lost someone you loved?" The activity's purpose was for people to see that they relate to others and in relating to others there's no need to hate others. It was a very good activity to see that everyone suffers and experiences the same things. The final chapel took place on March 7th, and we were blessed with Pastor Brian Wahl, who came to speak to us from the British Columbia Seventh-Day Adventist

youth conference. He spoke about mission work and he was able to share some very motivating stories.

Student Work

Grade nine students designed and produced artistic posters for Bible class. Also, pictured above is a memory box filled by Martin Santomin for his book report project.

Grade 6 students Kelly and Jaelyn created beautiful booklets about their identity and where their roots trace to.

To celebrate Valentine's Day, grades 1 and 2 kids sketched and painted hearts using fun watercolours and patterns.

Burman University Days

Twelve seniors faced the freezing temperatures as they took part in Burman University's "University Experience." They travelled via plane from Abbotsford to Calgary and drove on to Lacombe. The next morning, the students listened to information from Burman's faculty and students and were introduced to different majors and informed of the many scholarships that were offered. The gospel vibe Burman demonstrated through its worships such as vespers and afterglow, truly moved the hearts of many students as they sang to upbeat, yet meaningful songs, and praised God for His goodness. Aside from academic-related events, the seniors had a hyped and electrifying time at the pep rally. There was free carnival food, an intense basketball game, and loads of laughter. Filipino karaoke night was one of the main highlights for everyone because of the heavenly Filipino dishes and classic oldies sung at the top of everyone's

lungs. Overall, although the weekend there was below zero every day, the unity that grew within the seniors kept their hearts warm. Once they returned back from their neighbouring province, all the seniors made comments about the increasing unity among one another. (A bonus is that 4 seniors confirmed that they will be attending Burman!)

[Monthly Poll]

Are you going somewhere for Spring Break?

Riddles Answers

- 1- Tulips (two-lips!)
- 2- Because a bee (B) comes after it.
- 3- The rain.
4. Help I'm going to fall!

Middle School Events

The middle school students had a field trip and went skating on Feb. 14, (Valentines Day). "I had fun because we were able to take a break off school," said Russel from Grade 6. "It was awesome and everyone had a great time, we got to spend our time with our friends," said Jacob from Grade 7. It looks like they enjoyed skating for their field trip, and they can't wait to have more field trips in the future.

Grade 7-8 also had a field trip and went bowling on Feb. 20 from 8:00 - 11:00 am. "We went bowling and it was so much fun, I got 4 strikes!" said Jacob from Grade 7.

HS Spirit days

On February 14 we had a dress down day! We got to wear red or pink for Valentines Day. It was the first day back after 3 snow days.

On February 27 we also got to dress down when we got to wear pink but this time it was for anti-bullying. Anti-Bullying Day is a day when people wear pink shirts to symbolically take a stand against bullying.

On March 8 we got to dress down in a clashing way. Grades K-12 got the day to mismatch their clothes. They had fun wearing different colours and different patterns. Here are the percentages of how many students dressed up in each high school class.

- Grade 9-85%
- Grade 10-76%
- Grade 11-75%
- Grade 12-67%

Trivia Answers

1. 1975
2. True
3. Grade 10, 28 students.
4. January
5. 2017

Snow Ball

On February 28, the high school had a SnowBall. They went to Twin Rinks in Langley and skated there for 2 hours. When they came back to school, they had pizzas, delicious Indian food, pop and hot chocolate. After they finished their food, they had some free time in the gym and Mrs. Sabot's homeroom. They played basketball, volleyball and Nintendo Switch together. Towards the end, they went out to the field and sang "Came to my Rescue" and lit up lanterns to let into the night sky. They had a very wonderful day and made unforgettable memories with friends.

Mission Trip

In just 2 days, 19 students from FVAA will be going to Santa Elena, Belize where they will be given the opportunity to serve God through helping others in need. During this trip, students will be building a new classroom for a school, helping to teach a VBS program, and helping to host a radio station called "Faith FM." Let's keep all the students in our prayers as they embark on a new journey and impact the lives of others.

Family Day

Monday, February 18 was the day for families! On that day most parents and students had the whole day off to enjoy having fun with their families. For most students and parents, having a Monday off is a great relief since Mondays are the worst.

Athletic Update

In February, the Girls basketball team and the Jr. boys basketball team had their last games for the whole season. The girls had three games

while the Jr. boys had two with one of those games being the finals. The girls went against Stratford Hall (SH), Lions Gate Christian Academy (LGCA), and Southpointe Academy (SPA) with the girls winning against SH and LGCA and losing against SPA. The Jr. boys finals led them to get second place in the end. On February 9 and 10, we had the CASA Junior Volleyball Tournament with six school teams: two A teams, two B teams, and two C teams. And on February 27, we had our first ever badminton team for high school.

Walla Walla University Days

The senior class took a trip down to Walla Walla University on March 6-10. They all received a tour of the campus and were allowed to attend some classes, to see if it sparked some interest. On Friday night vespers, there was an hour long song service to bring the Sabbath in. There was lots to do the whole weekend, and hopefully, they came back with more memories and a better sense of where they want to go in the future.

Fearless to Show God's Love

In our school, we strive to show God's love in a fearless way, praising Him out loud in all of our chapels in school for all to hear. We are proud to serve our God in any way we can with a loud bang. We will never stop loving our God because He will never stop loving us. As long as we fear our God we should always show his love to others in a fearless way.

Grad Portraits

Graduation portraits happened last January 28-29 a week after the 1st-semester exam. There was also an issue about it because the school calendar says that the graduation portraits were February 4-5, but the grad portraits photographer came on January 28-29 and most of the students weren't ready to take their grad photos. Mrs. Domke tried to move it, but the photographers weren't able to do it. So grade 12 students needed to find a way to get ready to take their grad photos.

For grad portraits, each grade 12 students had a choice to take the full session for \$50, or just portraits for \$20. The full session allowed each student to pose however they wanted. Also, grade 12 students were able to bring their relatives like siblings or cousins that go to the same school. After two weeks students received their grad photos.

Spring Break!

GET EXCITED! Tomorrow, Friday, March 15, is the last day of classes before spring break. There will be 15 days to travel, read a good book and have some rest... Classes will return on April 1st.

To know more about where the students are going for the spring break checkout the "Poll" written by Emma.
