*Please do not shop at dollar/discount store for crayons, coloured pencils or markers. Crayola produces the best quality items for schoolwork, and many cheaper brands do not hold up to daily use.

*Indoor Shoes - Please note that all students must have black runners with laces or Velcro for their inside shoes as changing shoes for PE is time consuming. **If you send shoes with laces students must be able to tie them by themselves.**

*Please label the tags of all FVAA uniform sweaters with permanent markers prior to the first day of school as we will not take responsibility for finding and returning a sweater without a label.

***PLEASE PUT ALL SUPPLIES IN A LARGE BAG clearly labelled with your child's name. On the first day of school we will not unpack the supplies as it is time consuming. I will simply find the labelled bag then unpack it myself and check that all supplies there. (The only item that you will not put in this bag is indoor shoes)**
