Fraser Valley Adventist Academy is excited to invite you to attend athletic events at our facility for this new school year. We are thrilled that our students are returning to Athletic competition after a long year off. Along with the return to play there are some new protocol that will need to be followed.

- There is a 30 spectator cap for all indoor athletic events (this does not include FVAA students)
- Visitors must sign in and sanitize at the entrance of the gym
- Masks must be worn by all spectators
- No food or drink will be permitted in the gym
- Seek to social distance whenever possible
