(continued on next page)

* It is better if you do not shop at dollar/discount stores for crayons, glue, markers, etc. Crayola produces the best quality items for schoolwork, and many cheaper

makes of crayons, glue and markers do not hold up under daily use. You may be required to purchase some supplies again throughout the school year, as needed.

Optional Gym Strip – Grade 4 students may choose to purchase the FVAA t-shirt and shorts from the school.

Indoor shoes – Please note that all students must have black runners with laces or Velcro for their inside shoes as changing shoes for PE is time consuming.
